

MASJID PRAYER AREA USAGE & STUDENT SUPERVISION POLICY

Purpose

The Masjid is the House of Allah ﷻ and a sacred place dedicated primarily to **Salah, Qur'an, Dhikr, Du'a, Islamic learning, and worship.**

We want our children and youth to love the Masjid, attend Salah, and develop a strong connection with the House of Allah. At the same time cleanliness, safety, and peaceful environment of the prayer area must be maintained.

For this reason, the following policy applies to all students and children using the Masjid prayer areas.

1. No Unsupervised Students Before or After School

Students are not permitted to use the Masjid prayer area as a before-school or after-school waiting, gathering, socializing, or day-use area without their parent or guardian present.

Students who arrive before school or remain after school without their parent or guardian **may be asked to leave the Masjid prayer area and proceed to the appropriate designated area.**

This applies regardless of whether students are waiting for transportation, waiting for siblings, socializing with friends, or simply spending time after school.

2. Students Are Always Welcome for Salah

This policy is **not intended to prevent students from attending the Masjid for Salah.**

Students are encouraged to attend congregational prayers and participate appropriately in Masjid programs.

However, once Salah or an authorized program has concluded, students may not remain in the prayer area unsupervised as a place to gather or spend time.

3. Parent/Guardian Supervision

Outside organized school activities, Salah, or authorized Masjid programs, children and students who remain in the Masjid must be accompanied and actively supervised by their parent or guardian.

The parent or guardian assumes responsibility for the child's conduct and supervision while in the Masjid.

Children should remain with their parents rather than gathering separately with friends around the prayer hall.

4. Appropriate Activities in the Prayer Area

When children are with their parents in the Masjid prayer area, they should be engaged in activities appropriate to the House of Allah, such as:

- Performing Salah;
- Reading or memorizing Qur'an;
- Making Dhikr or Tasbeeh;
- Making Du'a;
- Quietly reading beneficial Islamic material;

- Attending an approved lesson, Halaqah, or program; or
- Sitting respectfully with their parent or guardian.

Parents may sit with their children along an appropriate side or designated section of the Masjid while ensuring that pathways and prayer areas remain clear.

5. The Masjid Is Not a Play Area

The prayer hall is **not a playground, recreation area, student lounge, or general day-use area.**

Running, chasing, wrestling, ball playing, shouting, horseplay, disruptive games, or similar recreational activities are not permitted in the Masjid prayer area.

A dedicated **gym/recreational area** is available for appropriate physical and recreational activities.

Students should use the designated recreational spaces rather than the prayer hall for play.

6. Respect During Qur'an, Salah & Worship

Children and adults must be particularly mindful when others are:

- Performing Salah;
- Reading or memorizing Qur'an;
- Making Dhikr;
- Making Du'a;
- Attending a lesson or Halaqah; or
- Resting quietly between prayers.

Noise and activities that unnecessarily disturb worshippers should be avoided.

7. Parents Are Responsible for Their Children

The presence of a parent in the building alone is not sufficient.

Parents and guardians are expected to know where their children are and ensure they are behaving appropriately.

Children should **remain with or under the direct supervision of their parent/guardian** while using the prayer area.

Parents should not leave children in the Masjid prayer hall while they leave the premises or attend to unrelated activities elsewhere.

8. School & Masjid Responsibilities

During official school hours and authorized school activities, students remain subject to school supervision procedures and the directions of teachers and staff.

Before and after school, the Masjid prayer area does not become an extension of the school's student waiting or recreation areas.

Unless participating in Salah or an authorized program, students must be picked up according to the school's established procedures or remain in an approved supervised area.

9. Food, Drinks & Cleanliness

Food, snacks, and other items that may create spills, stains, crumbs, or unnecessary mess should not be brought into the prayer area unless specifically permitted.

Everyone using the Masjid is expected to help maintain its cleanliness and treat its facilities respectfully.

10. Warnings & Enforcement

This policy will be enforced consistently.

Students found repeatedly entering or remaining in the Masjid prayer area without appropriate supervision, playing, creating disturbances, or disregarding instructions may:

1. Be verbally reminded of the policy;
2. Be directed to leave the prayer area;
3. Have their parent/guardian contacted;
4. Be restricted from using the prayer area outside Salah and authorized programs; and
5. Be referred to school or Masjid Administration for repeated violations.

For serious or repeated misconduct, Administration may move directly to an appropriate level of intervention.

11. Instructions From Masjid & School Personnel

Students and visitors must follow reasonable instructions given by the Imam/Sheikh, Masjid Administration, school administration, teachers, or authorized staff regarding the use of Masjid facilities.

Refusing to leave a restricted area or repeatedly disregarding instructions may result in further restrictions.

12. Our Goal

The purpose of this policy is **not to push children away from the Masjid**.

We want our children to grow up loving the House of Allah ﷺ, praying in congregation, reading Qur'an, remembering Allah, learning their Deen, and feeling that the Masjid is an important part of their lives.

At the same time, loving the Masjid includes teaching our children to **honour and respect its sanctity**.

The Masjid prayer area is a place of worship—not an unsupervised student lounge, playground, or before-and-after-school day-use area.

IMPORTANT REMINDER

NO UNSUPERVISED STUDENTS IN THE MASJID PRAYER AREA BEFORE OR AFTER SCHOOL.

Students are always welcome for **Salah and authorized programs**.

Outside those times, children and students must be **with and supervised by their parent or guardian** and must maintain conduct appropriate to the House of Allah.

Parents and guardians are responsible for ensuring their children follow this policy.
